Learner

S U M M A R Y

I am a quick learner and a self-starter, always looking for new challenges and opportunities to learn. I strongly believe in the power of open-source and community, and I love to give back by sharing my knowledge. I enjoy working from the command line, building tools and automating things.

E X P E R I E N C E

No Experience till now.

E D U C A T I O N

Diploma in Computer Engineering | *2022 – 2024/25(expected)*   **Kohalpur, Nepal**
